Subject: Approval Letter for All Certified Special Processes Performed for Nondestructive Testing

Dear Ron Cox

This letter is to inform you that Aerojet Rocketdyne Canoga Park has conducted a performance review on all of the CSP for NDT performed at Element Material Technology. A twelve (12) month extension has been granted for the following Aerojet Rocketdyne Canoga Park CSP specifications.

- NAS-410 Qualification and Certification of Nondestructive Testing Personnel
- AMS-2634 Ultrasonic Inspection

The next NDT CSP audit for all your approved nondestructive testing processes will be due June 30, 2014. Please contact the under signed if you have any questions.

Sincerely,

Stephen G. Weeks
